August Meeting Tuesday August 3rd

Our August meeting will once again be held at Mexico Viejo in the back room. Come for dinner at 6:00. The meeting will start at 7:00. Don't be afraid to bring a friend or something for show and tell.

August Meeting

We will be voting on our proposed bylaw changes from the July Meeting. The changes mostly revolve around the family membership rules.

We will also be voting on whether to become a MAAC club.

Ken will be going over the results from the successful TAG event we had last month.

We have been having issues with mowing, basically we need more volunteers. The club recently purchased a new mower and it should make the mowing job much quicker and easier.

We are looking for some ideas from the membership to help with the mowing. Please bring some ideas to the meeting and offer up your thoughts on mowing.

We will be going over some future events for the club, specifically the Joe Grube Big Bird Fly-in. Be thinking of what jobs you can do to help with the fly-in. A sign up sheet will be passing around at the meeting. Also the clubs swapmeet coming up in October.

Attendance Raffle

Don't forget to bring your nametag and a buck to get in on the attendance raffle. You can't win if you don't play. You also can't win if you're not at the meeting.

Congrats to Steve Smith for winning at the July meeting.

BCRC Fliers Meeting 7-6-10

Meeting opened at 7:10pm. All present stand for Pledge of Allegiance.

Minutes of June meeting approved as presented.

We would like to welcome Manohar Balapa as our newest member. Also, we welcome guests Justin Arnholt and our speaker Christy Broady.

Old business: Ken Erickson outlined final details for the TAG event.

President Jim Sachleben presented the revised version of the club by-laws. A vote to accept or reject any changes will be taken at the August meeting. Jerry Nugent made a motion that MAAC membership would be recognized by the club, to also be voted on at the August meeting.

A request by the club president to have a "work day" to spruce up the field for upcoming fly-ins will be coming soon. Please respond when asked to help.

New business: Field Marshal Mike Marthaler announced that he will longer be able to serve in that position. The executive committee is now accepting nominations or a volunteer to fill that position.

Mike also brought the new tractor to the meeting for club members to see and learn about.

Our guest speaker was Christy Broady representing the Weir Cook Memorial project. She and her associates were responsible for the naming of the new terminal at Indianapolis International Airport. Our thanks to Christy for a very informative program.

The attendance drawing was won by Steve Smith. Ken Erickson moderated the silent auction of items from a local man's estate. Proceeds to go to the family.

Next meeting will be Tuesday August 3rd at Mexico Viejo. Dinner at 6pm, meeting at 7pm.

Respectfully submitted,

Russ Kuhn, Sec/Treas.
