BCRC Fliers meeting August 3rd, 2010

Meeting opened at 7:05pm, all present stand for Pledge of Allegiance. Minutes of July meeting approved as presented with a correction that Stan Durnal moderated the silent auction and not Ken Erickson. The club membership would like to welcome our newest member, Scott Muncy. Scott joined our group while attending the TAG event.

Old business: President Jim Sachleben presented the revised by-laws to the members that were in attendance, after taking a vote the revisions were passed unanimously.

President Jim Sachleben also presented a few ideas from the membership regarding mowing of the club field. The club needs the participation of more of the membership. Only a few are carrying the load for everyone. The mowing schedule is posted on the club website, please sign up now. Tom Brandl suggested a system of raffle tickets for each time mowing is done with a prize drawing at the end of the year. Tom and Greg Emerick have volunteered to work together to formulate other ideas as well. Field Marshal Mike Marthaler also passed around the sign up sheet for mowing at this time.

Ken Erickson gave a wrap up of the TAG event. Although not a money maker for the club, the event was considered to be a success. Ken will be making a report to the AMA including number of participants and how the money from AMA was used to improve the flying site. Jerry Nugent commented that even if we did not receive money from the AMA it would still be worthwhile for recruiting new members.

New business: President Jim Sachleben outlined preparations for the second annual Joe Grube Big Bird Fly-in. The set up day will be on Friday. Mowing, setting parking lines and pop-ups are just a few of the jobs that need to be completed. Terry Smith will be in charge of food preparation and sales. If you would like to help with any of these jobs, please contact a club officer for information. Ken Erickson reviewed the job assignments for the fly-in.

For Show and Tell Art Zinkel brought an Ohio RC models plane with a 40cc engine, very nicely done Art. Charles Hobson brought a high wing trainer that he has nearly completed. Great looking planes guys, thanks for showing them.

Mike Bealmear announced that guest speaker for next meeting is Scott Hardesty, a veteran of Afghanistan. This should be a very informative program.

Attendance drawing was won by Martin Justis.

Next meeting will be September 7th at Mexico Viejo. Arrive at 6pm for dinner or 7pm for meeting only. Meeting adjourned at 8:15pm.

Respectfully submitted,

Russ Kuhn, Sec/Treas
