New Monthly Newsletter Format - Rick Anderson (Club Newsletter Editor)

After discussion with the BCRCF Club Executive Council and based on my current health & capability we will be trying a new newsletter format. On a monthly basis I will be publishing a 1-2 page newsletter to come out promptly the week prior to our monthly BCRCF club meeting. It will be focused primarily on that's weeks meeting agenda, and key topics & speakers.

In addition I will be putting out a Quarterly Newsletter, similar to the one I've published in the past. Thanks to everyone for their patience and understanding.

Regards.....Rick

Special Guest Speaker in this Weeks Tue's Meeting 7/14 @ 7pm

We'll have a guest speaker for the July meeting. **Fred Jungclaus from Martinsville, IN.** Fred builds and flies RC, and is quite an accomplished builder at that. He also builds and flies full scale (or nearly so) WWI replicas. He has a 7/8 Se5a, and is working on building a full scale Sopwith Pup. This is Fred and his (slightly larger than 1/4 scale) Nieuport 17 that he built to be used in a Canadian Film about Canadian WW1 Ace Billy Bishop.

I sure hope you can make it to what should be a very interesting meeting. **If you have something for show and tell, please bring it along,** we'll have to move along pretty quickly to be able to get out on time.

Once again, the meeting is **Tuesday, July 14th at Sadies Diner.** Get together there for **dinner at 6 PM, and the meeting starts at 7PM.** We also will have a lot to discuss about the **Joe Grube Memorial Big Bird Fly-In coming up on August 8th.**

Cheers,
Mike Bealmear

Hello Everyone, Now that we are at the mid point of the year I thought it might be a good point for the club members to look over their personal calendars and see if there are any open slots in the mowing schedule (to left) that someone might like to register for. For members that are physically able **PLEASE** consider choosing a slot (or another if you are on the list already) and mowing. With the new reel mower the results are impressive. (It's kind of fun also!)

Thanks to all who have mowed already and to those that are currently registered!!!!
