Members present: Ken Erickson, John Vinson, Jim Sachleben, Mike Bealmear, Mike Marthaler, Colin Mowery, Greg Emerick

Action Items:

- (Mike Bealmear) reach out to Colin Williams and see if he would like to submit a membership application to join the club & AMA (reference the May 6 email from Gary Waters)

Agenda

- Marian Liliac's RC Stuff - Mike Marthaler has been approached by a friend of Marian's wife to get some help selling the RC stuff that belonged to him. Mike Marthaler has the stuff and has been putting prices on the gear. This person wants to sell the RC stuff. The ex comm discussed ways to sell this gear & generate funds for Marian's widow. Ideas:
 - Sell some at club meetings
 - Sell some at a club picnic
 - Advertise a sale to area clubs
 - Sell some on RC for sale Facebook groups
 - Sell on RCUniverse.com marketplace
- Geotex Runway Concept
 - Pros: it could attract new members
 - Cons: the current Geotex runway takes a lot of maintenance, adding a 2nd Geotex runway would double our maintenance.
 - We do still need to visit the East Side club to see how it works for them.
- Discuss events for 2022 -
 - Joe Grube Fly-In – *Readiness*
 - We need a cook. John Vinson will help with the cooking duties 11-12noon.
 - Tom Carlyle will pick up the groceries for the kitchen.
 - Jim Sachleben will volunteer burgers & hot dogs from his Dairy Queen restaurant.
 - Jim Sachleben will take Colin's registration slot & free up Colin to help in the kitchen.
 - John Vinson has the shopping list we used for past events & will send it to Colin who will pass it to Tom Carlyle.
 - John Vinson will pick up the drinks & get them into a cooler with ice
 - John Vinson will bring cash for the kitchen, registration, and raffle prize stations
 - John Vinson has a banner for the gate at the bottom of the hill
 - John has emptied the trash cans & added water to the porta potties

- Stan Durnal & Bob Condiff signed up for parking but we'll use them elsewhere since a sign for parking is sufficient & we don't really need volunteers for parking.
 - Mike Bealmear will help Marthaler & Vinson setup the road sign about 8am Saturday morning
 - Friday night 6pm Colin, Greg, John Vinson, & Ken will meet to setup the shade pavilion & other stuff.
